FACILITIES

WHO WE ARE

Hotel Cannero On the shore of Lake Maggiore, with a splendid panoramic view of the Castles of Cannero, is Cannero Riviera, a pleasant lakeside town with a mild climate, where our hotel is located. Its roots are very ancient and date back to the mid-19th century, when the old monastery located on the shore of Lake Maggiore was partly transformed into a hotel, with the name Tre Re. In 1902, the structure was taken over by Carolina and Giovanni Gallinotto who changed the name to Hotel Cannero. Maria Carla Gallinotto, together with her family, continued its development by completing, in 2001, the restoration of the ancient Post Office which is located next to the hotel. From 2024, the management of the hotel passes to Maria Carla's children: Samuele, Annalisa, Felice and Alfredo.
