FACILITIES

WHO WE ARE

Our Hotel, recently renovated in contemporary style, is located directly on the lakeside promenade of Stresa. All rooms feature modern furnishings, wooden floors, multifunctional showers, air conditioning, free WiFi, satellite TV, and a balcony or terrace. On the seventh floor of the hotel is the Sky Bar, a unique location on Lake Maggiore: a special place where you can enjoy a signature cocktail in front of a breathtaking view. There are two pools: one also on the seventh floor, the other directly on the lake. The Restaurant overlooks an ever-blooming garden and offers a cuisine of tradition, linked to the territory, with a touch of modernity and internationality.

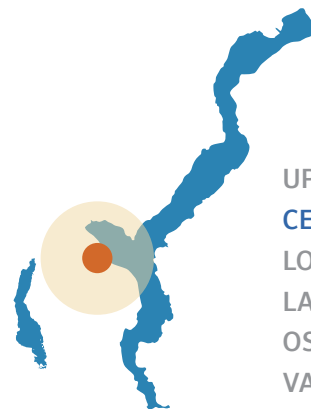

OUR BEST

▶ A breathtaking view, the relaxation of a day spent immersed in the waters of the infinity pool on the lake, a drink at sunset, or a signature cocktail under the stars. This is our concept of vacation and wellness. Our hotel is not just a place to sleep but a place to live at any time, even outdoors, with experiences that will generate memories to be long cherished.
